**Heritage House  
Rehabilitation & Healthcare  
Center Semi-Private Suites**

VS

**Other Private Suites**

**Nursing-**

*Nurse checks on you when they check on your room mate – giving you twice the care*

The nursing staff arrives only if you are able to push a call light.

**Dietary-**

*You'll know your dining mate for your meals*

You may have to dine alone or in your room by yourself.

**Housekeeping-**

*Housekeepers in room twice as long to keep things for you and roommate nice and tidy.*

Less housekeeping visits. Maybe once a day?

**Activities -**

*You will always have a bingo partner, euchre friend or some one to listen to music with.*

No one to encourage you to participate in activities or share in the fun.

**Therapy-**

*As you both progress through therapy, and down the road to recovery, you will be able to share your successes and overcome your challenges.*

No one to share your good news with.

**Companionship-**

*Your roommate can provide you with company and give you someone to talk to. It may be the beginning of a new friendship.*

Limited to whether friends and family can get there to visit you.

**Environment-**

*You are not experiencing a new environment and new surroundings alone. It will help to avoid isolation.*

Isolation can cause depression.

*Call us today to set-up a time to see the semi-private suites or stop by 7 days a week!*
