

# Congratulations to Washington Healthcare Center on a *perfect* survey!

American Senior Communities would like to congratulate Washington Healthcare Center on receiving a 100% deficiency free inspection from the Indiana State Department of Health!

Washington Healthcare Center would not have been able to accomplish this great achievement that such few communities reach without the caring, dedicated, and exceptional staff. It takes excellent leadership and a passion in caring for others to make Washington Healthcare Center the best in rehabilitation and healthcare!

Ask about their newly renovated Moving Forward Rehabilitation Suites and Auguste's Cottage Memory Care Center. Come see for yourself why Washington Healthcare Center is one of a kind! Call or stop by today for a personal tour.

Washington Healthcare Center is one of 22 greater Indianapolis locations managed by American Senior Communities. For more information on all of their locations and the services they provide, please visit our website at [www.AmericanSrCommunities.com](http://www.AmericanSrCommunities.com).
